# Amazing Race Yuma County

## How It works

The teams will be provided with an initial starting point and registration time. There will be four staggered starting times at fifteen-minute intervals, five teams per interval. The team's starting time will be noted as the winner will be based on actual time from their start to finish rather than who finishes first. At the starting location, the teams will be given their first challenge. When the first challenge begins, the team's starting time will be recorded.

Upon completion of the first challenge, the team will be given a checklist of the ten locations they must visit in order to complete the race. The team will then drive to the first location. At each location, the team will need to complete that location's challenge. Once that challenge is complete, the location representative will initial the team's checklist and provide them with an envelope with puzzle pieces in it.

Once the team has successfully completed the challenges at all ten locations, the team will go to the finish line. Before a team can officially cross the finish line, the team will be provided a table on which they must complete a puzzle using all the puzzle pieces received throughout the race. Upon successful completion of the puzzle, the team's completion time will be noted to calculate their total race time.

The winner will be the team that completes the race in the least amount of time. Prizes will be awarded! The Amazing Race Yuma County is a networking and fundraising event for the Yuma County Chamber of Commerce. It is not affiliated with CBS, World Race Productions or The Amazing Race.

The Yuma County Chamber of Commerce has been instrumental in making business contacts. Every single breakfast and Mixer has resulted in making a business connection! It's been one of the best networking mediums for my business.

## FRETWORKS MUSIC CENTER

Exposure on the Chamber website and in-person events has allowed folks to realize that we are more than musical instruments. We love helping customers of all ages - in person!

# Thank You From the Director

## Dear Members,

From all the staff at the Yuma County Chamber of Commerce, we wish you a wonderful New Year filled with progress and prosperity! As your Executive Director, I want to extend my heartfelt thanks for your loyalty and support over the past year. Your dedication to our Chamber and the community we cherish makes me incredibly grateful to be part of this organization and to work alongside you.

As we kick off the New Year, I'm excited to share our new Advertising and Events Guide, carefully curated to meet your business goals and needs. We believe this year's guide will offer valuable opportunities for growth and connection for your business and teams.

Thank you for being the heart of our Chamber. Your direct involvement makes our community strong and vibrant as you work together with your fellow Chamber members. With the revived excitement amongst the membership and staff, I look forward to achieving even greater things together this year.

**With heartfelt thanks,**
